# LET US DREAM CONFERENCE BINGHAMTON 2021

ENSURING ACCESS AND EQUITY FOR ALL

The conference offers an opportunity to explore and share the many and varied community-service possibilities and intervention models. The primary intent is to create an inclusive, diverse, cross-cultural environment for sharing and growth through community improvement discourse among scholars, practitioners, students and volunteers. This year's conference will focus on education, health and social community improvement initiatives.

Be part of the change to build a better tomorrow.
