

New York State Cares for Communities 2021 - 2022 Community of Practice

New York State
Cares for Communities

We invite you to join the NYSCFC team and fellow community partners for this monthly Community of Practice. These interactive sessions are an opportunity to connect with colleagues, share ideas and challenges, and learn from one another. Each month may highlight a specific topic, with a primary focus on family engagement and support.

Meetings take place virtually via Zoom and will be approximately 1 hour long. All CBO/FBO colleagues are welcome, and we encourage you to participate as much as possible!
